

Long Term Disability Insurance can replace part of your income if a disability keeps you out of work for a long period of time.

Hourly Employees

How does it work?

This coverage can pay a monthly benefit if you have a covered illness or injury and you can't work for a few months — or even longer.

You're generally considered disabled if you're unable to do important parts of your job — and your income suffers as a result.

Why is this coverage so valuable?

You can use the money however you choose. It can help you pay for your rent or mortgage, groceries, out-of-pocket medical expenses and more.

What's covered?

This insurance may cover a variety of conditions and injuries. Here are Unum's top reasons for long term disability claims:¹

- Cancer
- Back disorders
- Injuries and poison
- Cardiovascular
- Joint disorders

This plan does not cover pre-existing conditions. See the disclosure section to learn more.

What else is included?

Survivor benefit

If you die while you've been disabled and receiving benefits for at least 180 days, your family could get a benefit equal to 3 months of your gross disability payment.

Waiver of premium

If you're disabled and receiving benefit payments, Unum waives your cost until you return to work.

Long Term Disability Insurance

Exclusions and limitations

Active employee

You are considered in active employment, if on the day you apply for coverage, you are being paid regularly by Myers Industries, Inc. for the required minimum hours each week and you are performing the material and substantial duties of your regular occupation.

Delayed effective date of coverage

Insurance coverage will be delayed if you are not an active employee because of an injury, sickness, temporary layoff, or leave of absence on the date that insurance would otherwise become effective.

Benefit duration (BD)

The duration of your benefit payments is based on your age when your disability occurs. Your Long Term Disability benefits are payable while you continue to meet the definition of disability. Please refer to your plan document for the duration of benefits under this policy.

Definition of disability

You must be under the regular care of a physician in order to be considered disabled. The loss of a professional or occupational license or certification does not, in itself, constitute disability.

“Substantial and material acts” means the important tasks, functions and operations that are generally required by employers from those engaged in your usual occupation and that cannot be reasonably omitted or modified.

Unless the policy specifies otherwise, as part of the disability claims evaluation process, Unum will evaluate your occupation based on how it is normally performed in the national economy, not how work is performed for a specific employer, at a specific location or in a specific region.

Pre-existing conditions

You have a pre-existing condition if:

- You received medical treatment, consultation, care or services including diagnostic measures for the condition, or took prescribed drugs or medicines for it in the 3 months just prior to your effective date of coverage; and
- The disability begins in the first 12 months after your effective date of coverage.

Exclusions and limitations

Benefits will not be paid for disabilities caused by, contributed to by, or resulting from:

- Intentionally self-inflicted injuries;
- Active participation in a riot;
- War, declared or undeclared or any act of war;
- Commission of a crime for which you have been convicted;
- Loss of professional license, occupational license or certification; or
- Pre-existing conditions (See the disclosure section to learn more).

The loss of a professional or occupational license does not, in itself, constitute disability.

Unum will not pay a benefit for any period of disability during which you are incarcerated.

The lifetime cumulative maximum benefit for all disabilities due to mental illness and disabilities based primarily on self-reported symptoms is 24 months. Only 24 months of benefits will be paid for any combination of such disabilities even if the disabilities are not continuous and/or are not related. Payments can continue beyond 24 months only if you are confined to a hospital or institution as a result of the disability.

Termination of coverage

Your coverage under the policy ends on the earliest of the following:

- The date the policy or plan is cancelled
- The date you no longer are in an eligible group
- The date your eligible group is no longer covered
- The last day of the period for which you made any required contributions
- The last day you are in active employment except as provided under the covered layoff or leave of absence provision.

Unum will provide coverage for a payable claim that occurs while you are covered under the policy or plan.

Social Security advocacy services are provided by GENEX Services, Inc. or The Advocate Group, LLC. Referral to one of our advocacy partners is determined by Unum.

This information is not intended to be a complete description of the insurance coverage available. The policy or its provisions may vary or be unavailable in some states.
