

Claims information, how to save money, ways to stay healthy – it's all there and more

Jane Q. Member

You expect a lot from us as your health plan. That's ok. Challenge accepted! It's why your Health Care Summary includes all the details you're used to seeing in an explanation of benefits (EOB) — the care you got, what the charge was, how much you'll pay and how much we'll pay. But it doesn't stop there! Check it out ...

Your total cost	You pay \$175.00. Here's how it breaks down.					
	Services not covered	Your percentage of the costs	Deductible	Сорау		
	+	+	+	+		
= 175.00	0.00	0.00	175.00	0.00		
= \$175.00	0.00	0.00	175.00	0.00		

It's got everything you'll want to know about a claim.

In the *Claims summary* section, you'll get a quick look at how much the charge was for your care and how much of that you need to pay. For more details about a claim ... well, go to the Claims details page. It'll break down the amounts for your copay, deductible, percentage of the costs and services not covered to make it simpler to understand your claims.

Want to know how much of a claim went toward your deductible and out-of-pocket maximum?

Your year-to-date summary will give you a look at that and also show you how much is left until you reach those.

Maybe you didn't know how much money you can save when you get care from a doctor or facility in your plan. Your *Health Care Summary* can show you easy ways to save on your out-of-pocket costs.

You'll also see any recommended preventive care you should get.

You know, the screenings, checkups, lab tests or vaccines you may have put off or the things you need to do if you have certain health conditions. If you have kids, it'll even show any preventive care they should get.

Your *Health Care Summary* is exactly what it says it is: a summary of all the important information you need to know about the health care you get.
