2026 Benefits *Enrollment Reminder*

Don't forget to login to Dayforce and elect your health insurance benefits for 2026!

This is a passive enrollment! If you do not login to Dayforce and elect your benefits, you will be automatically enrolled in the same plan benefits that you have today.

***If you are enrolled in a HDHP and are not changing plans, you will still need to elect your ANNUAL contribution amount through Dayforce if you'd like to contribute to your HSA in 2026.**

Please ensure your beneficiary information is current! Even if you are not changing your benefits, we highly encourage you double check your beneficiary information within Dayforce and your 401k plan.
