Myers Industries

Term Life Insurance

All eligible full-time employees with earnings of $125,000 or more

How does it work?

You choose the amount of coverage that's right for you, and you keep coverage for a set period of time, or "term." If you die during that term, the money can help your family pay for basic living expenses, final arrangements, tuition and more.

AD&D Insurance is also available, which pays a benefit if you survive an accident but have certain serious injuries. It pays an additional amount if you die from a covered accident.

Myers Industries provides the following Term Life and AD&D coverage for you:

You:	Your employer is paying for base Life and AD&D coverage of 1 times your annual earnings to a maximum of $250,000.

Additional coverage available to purchase:

If you are actively at work at least 40 hours per week, you may apply for additional coverage for:

You:	Choose 1x, 2x, 3x, 4x, or 5x your annual earnings, to a maximum of $750,000. You can receive up to $500,000 without any medical underwriting.
Your spouse:	You can purchase additional Life coverage for your spouse from $10,000 to $50,000 in increments of $10,000. You must purchase coverage for yourself in order to purchase coverage for your spouse. Spouse coverage must not exceed 100% of the coverage amount you purchase for yourself. Your spouse can get up to $50,000 with no medical underwriting, if eligible (see delayed effective date).
Your children:	Get up to $25,000 of coverage in $5,000 increments if eligible (see delayed effective date). One policy covers all of your children until their 19th birthday – or until their 26th birthday if they are full-time students. The maximum benefit for children live birth to 6 months is $1,000.

No medical underwriting is required for AD&D coverage.

A 'Living' Benefit — If you are diagnosed with a terminal illness with less than 12 months to live, you can request 75% of your life insurance benefit (up to $500,000) while you are still living. This amount will be taken out of the death benefit, and may be taxable. **These benefit payments may adversely affect the recipient's eligibility for Medicaid or other government benefits or entitlements, and may be taxable.** Recipients should consult their tax attorney or advisor before utilizing living benefit payments.

Waiver of premium — Your cost may be waived if you are totally disabled for a period of time.

Portability — You may be able to keep coverage if you leave the company, retire or change the number of hours you work.

Employee Assistance Program — Get access to professional help for a range of personal and work-related issues, including counselor referrals, financial planning and legal support.

Worldwide emergency travel assistance — One phone call gets you and your family immediate help anywhere in the world, as long as you're traveling 100 or more miles from home. However, a spouse traveling on business for his or her employer is not covered.

Employees or dependents who have a sickness or injury having a material effect on life expectancy at the time their group coverage ends are not eligible for portability.

Exclusions and limitations

Actively at work

Eligible employees must be actively at work to apply for coverage. Being actively at work means on the day the employee applies for coverage, the individual must be working at one of his/her company's business locations; or the individual must be working at a location where he/she is required to represent the company. If applying for coverage on a day that is not a scheduled workday, the employee will be considered actively at work as of his/her last scheduled workday. Employees are not considered actively at work if they are on a leave of absence or lay off.

An unmarried handicapped dependent child who becomes handicapped prior to the child's attainment age of 26 may be eligible for benefits. Please see your plan administrator for details on eligibility.

Employees must be U.S. citizens or legally authorized to work in the U.S. to receive coverage. Employees must be actively employed in the United States with the Employer to receive coverage. Employees must be insured under the plan for spouses and dependents to be eligible for coverage.

Exclusions and limitations

Delayed effective date of coverage

Insurance coverage will be delayed if you are not an active employee because of an injury, sickness, temporary layoff, or leave of absence on the date that insurance would otherwise become effective.

Delayed Effective Date: if your spouse or child has a serious injury, sickness, or disorder, or is confined, their coverage may not take effect. Payment of premium does not guarantee coverage. Please refer to your policy contract or see your plan administrator for an explanation of the delayed effective date provision that applies to your plan.
